## Family Returned Safely To the Mainland

As a college graduation gift from Lyle and Barb (Cari's parents), Zac and Cari got to travel with them to the beautiful islands of Hawaii to visit Ryan (Cari's brother) and do some sight seeing from December 29<sup>th</sup> to January 8<sup>th</sup>. While on the islands, Lyle, Barb, Ryan, Cari, & Zac toured Pearl Harbor (with Ryan as their personal tour guide), hiked up Diamond Head, brought in the New Year watching fireworks on Waikiki Beach, watched a surfing competition in record waves, went snorkeling at Hanauma Bay, went on a tour visiting waterfalls and Volcano National park on "The Big Island", took a helicopter tour over Kauai (we highly recommend this tour to anyone who visits Hawaii), attended a Luau at the Polynesian Cultural Center, and went on a submarine ride, and that's just a summary!

## Newlyweds Travel to the Florida Keys

The newlyweds, Zac and Cari, traveled to the Florida Keys for their honeymoon. They spent five days in the middle Keys, staying in Marathon at Seascape Resort. The honeymooners spent their time by relaxing in a hammock hanging over the ocean, kayaking, and spending a day in Key West. And of course, the newlyweds couldn't leave until they tried some delicious Key Lime pie!
